

🌟 Introducing Our SHINE Curriculum 🌟

We are excited to launch our new SHINE Curriculum, designed to help every child grow not only academically, but personally and socially too. This curriculum is bespoke to our children and goes beyond the national curriculum.

SHINE develops essential life skills from Early Years to Year 6 and is built around five key areas:

S – Safe

Learning how to stay safe in the real world and online, understanding boundaries, knowing how to seek help.

H – Healthy

Developing positive mental health, physical wellbeing, and healthy relationships.

I – Independent

Building confidence, responsibility, resilience and leadership skills.

N – Nurturing

Encouraging kindness, empathy, respect and celebrating diversity.

E – Engaged

Understanding the wider world, caring for the environment and becoming active, responsible citizens.

SHINE is woven through all subjects, assembly time and Rainbow groups— ensuring children apply these life skills in meaningful ways every day.

We look forward to working in partnership with families to help every child shine. ✨
