Litherland Moss Primary School

Child Friendly E-safety Policy, by the children for the children

The children decided that after reading the School's E-Safety Policy that they wanted their own policy to help them keep safe on the Internet at home and at school.

The Internet is great because:

- You can learn lots of things.

- You can have lots of fun.

- It can help with our school work.

- You can stay in touch with friends and family.

Some online dangers include:

- Cyber Bullying—nasty messages and comments, swearing and unkind words.

- Stranger Danger—Some people, who we talk to online, we don't know, so they are strangers.

- Bad Language—Sometimes when we are online, we can see or hear swear words that might upset us.

- Content Online—some material online is not suitable for children to look at.

What is E-Safety?

- E-Safety means electronic safety.

- E-Safety is important because it helps us stay safe so we can enjoy, explore and have fun! Why do we need an E-safety Policy?

- To keep us safe on the Internet in school and out

- So that we are aware of what to do when something strange occurs or

we are worried

If people online are mean or worry me:

What should I do?

- Tell an adult I trust straight away.

- Try to stay calm.

- Report anything that worries you.

- Try to ignore the person.

- Block and delete the person.

- Keep all messages for evidence.

What should I not do?

- Do not keep worries to yourself.

- Do not be unkind or nasty back.

- Do not get angry or upset.

- Do not delete messages.

**Who can we tell if we have worries about e-safety or Cyber-bullying?**
